

DENTIST

The Family Health Center is a Federally Qualified Health Center and leading provider of primary healthcare to the medically underserved in Kalamazoo County. We are currently seeking a **Dentist**.

Summary

Provides dental care for children and adults by performing the following duties.

Essential Duties and Responsibilities:

Manages total patient care to remove or minimize symptoms or to minimize progression of chronic, disabling conditions through appropriate diagnosis, treatment and referrals.

Fabricates space maintainers. Treats primary and secondary teeth.

Manages patients with behavioral problems or disabling conditions. Counsels and advises patients and family on prevention and early childhood care.

Provides preventive services through use of fluoride and sealants and instructs patient and family members on dental care.

Judiciously uses x-ray and prescription functions.

Maintains neat and accurate records of patient care. Involved in the review, revision, development, and implementation of dental protocols (and related dental practice policies and procedures as needed).

Ability to render leadership to dental staff as required.

May assist community health groups in a dental advisory capacity.

Participates in professional development activities and maintain professional affiliations. Attends conferences and workshops. May participate in community education functions.

Education and/or Experience:

Possesses graduate degree from accredited school of dentistry and two years of related experience is preferred. Must be licensed to practice dentistry in the state of Michigan and current DEA license.

The Family Health Center offers an excellent benefits package which includes medical/dental/vision/life insurance/403(b) retirement savings plan. Total compensation will depend on experience, education, and combination of skills brought to the position.
